## ABOUT

The WLU'er is Laurier's official student day planner, for the Waterloo and Brantford campuses. Provided free of charge to students, the planner is our way to help you organize your days, access campus information and contact information, get the low down on the local digs, and never forget your best friend's birthday. Use it often, beat it up, draw on the pages, put stickers on it, at the end of the day it is yours to do as you please.

We have included art from talented local artists Marty Rorke, Darcie Latour, Kate Timmins, and Arthur Kavanaugh. We also received help from the kind folks at Laurier Archives and Special Collections, check them out!

*"Make this year count. Ride the LRT from Conestoga Mall to Fairview Mall as many times as you can. Find out who Fischer-Hallman and Ira Needles are."*

# TERRITORIAL ACKNOWLEDGMENT

Laurier's Waterloo and Brantford campuses are located on the shared traditional territory of the Neutral, Anishnaabe (Anish-nah-bay) and Haudenosaunee (Hoe-den-no-show-nee) peoples. This land is part of the Dish with One Spoon Treaty between the Haudenosaunee and Anishnaabe peoples and symbolizes the agreement to share, protect our resources and not to engage in conflict.

Laurier's Milton campus is located on the traditional territory of the Mississaugas of the Credit, and part of the Nanfan Treaty of 1701 between the British Crown and the Haudenosaunee Confederacy.

WLUSP recognizes that colonialism is an ongoing process and our organization is committed to standing in solidarity with Indigenous Peoples on Turtle Island. We continue to work with our Indigenous partners and colleagues to ensure that we are appropriately acknowledging those lands and their stewardship.

# WLUSP

## Wilfrid Laurier University Student Publications

A student-run media organization committed to enhancing the campus experience at Laurier by providing students with opportunities to improve professional skills, become part of a diverse community, and work towards their future careers.

**Thando Bhebhe**

I am the president, publisher and chair of WLUSP. As President I assist in helping WLUSP run smoothly by regularly hosting weekly team meetings with WLUSP's department heads and admin. As Publisher I oversee our multiple different publications ensuring that quality and standards are upheld. As Chair I host monthly board meetings to ensure that the Board is kept in the loop on WLUSP's activities, and when need be, the Board can pass policies that help our organization remain growing and evolving.

**Kurtis Rideout**

Our story starts 99 years ago, but mine started in 2016 at Laurier Brantford. Grand River Hall. I used to chill on the couch at Student Publications and use the kettle to make my Mr. Noodles. Now, as Executive Director, you can find me chilling on the couch at 32 University. I am there to make sure that students can develop their media skills because university didn't prepare me for the workforce, WLUSP did.

**Nate Dawes**

Having only been kicked off the airwaves twice so far, at Radio Laurier a crew of decorated veterans of this hell school stare down the 2026 media job market. By bravely broadcasting live about Sports, Music, Life, and reality TV at RadioLaurier.com. I am Nate Dawes, the subterranean salamander-person charged with taking the fall if someone compares Jordan Peterson to Hitler and someone cries about it. I enjoy booking meetings about meetings, writing check-in emails, filling out quarterly reviews, and being punched in the face at hardcore shows.

 **WE WANT YOU** 

**Piper Force**

As Editor in Chief of The Sputnik, I oversee the entirety of The Sputnik publication for WLUSP. I work closely with our Admin team to ensure my publication is staying true to the goals of WLUSP while also work directly with The Sputnik team, helping them voice their stories to the student body.

**Harleen Dhillon**

My name is Harleen and I am the Editor in Chief of the Community Edition. I've been a writer/editor since 2018 and with WLUSP since 2021. At TCE, we provide community members the opportunity to share their stories and improve their skills in writing, editing, photography, design and more.

**Ayden Elworthy-Gaiger**

I am the department head and sole employee of the ads department at WLUSP. Ads help to fund the student publications, so please buy ads please it would be so great if we had more money. When not slinging ads for student publications I can be found playing bass and watching movies

**Sheryl Madakkai**

I'm Sheryl Madakkai, a journalist with a passion for storytelling and photographer. I came to Canada as an international student and always wanted to bring my passion into action within the community, being the Editor in Chief at The Cord WLUSP gave me that opportunity. As an Editor in Chief, the focus has been on ensuring timely production of both print and digital publications, while fostering a culture of excellence through belongingness and alignment toward impactful storytelling.

**Tusharika Tyagi**
